What you have to do today - Create a Mockup of a Login Webpage

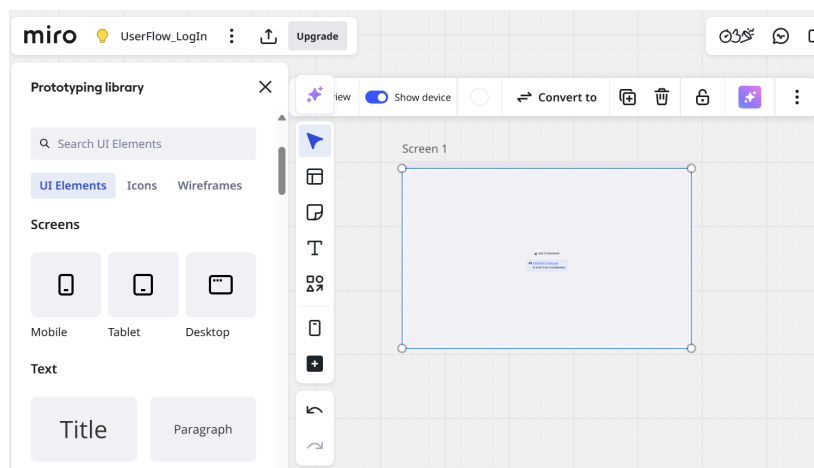

Step-by-step instructions

1. Sign up for Miro **using your personal account**, not your TUD account, as the TUD account has certain limitations.
2. Download the assets
 - Go to Brightspace Activity week 3 and download the provided files (UI reference, logo, and images).
3. Set up your design tool
 - Use **Miro** and create a new frame/canvas for the login page.
4. In Miro, click on Tools, Media, and Integrations, then search for "Prototyping

Library"

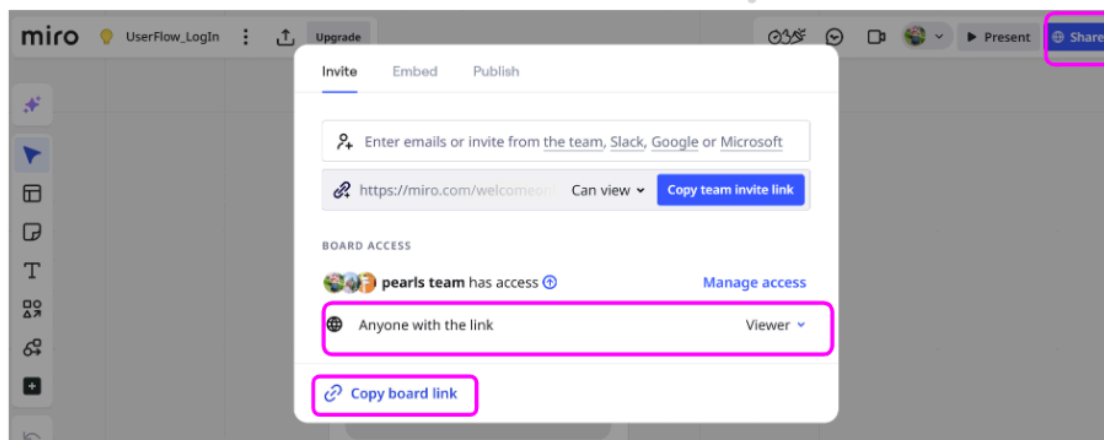

5. Select *Desktop* and drag it onto your board to begin creating your UI design.

6. Your design should be based on the provided UI reference, as illustrated in Figure 1 below.
 - Use the logos and image provided on Brightspace to build your mockup.
7. Export the frame as an image and upload it to BrightSpace.
8. Copy and share your Miro board link with me when submitting your work on Brightspace.

Share your Miroboard with me:

Steps:

1. Click the Share button in the top-right corner of your Miro board.
2. Set "Anyone with the link" to Viewer.
3. Click Copy board link.
4. Paste the link in the comment on Brightspace.
